FOR GUARANTEES OF QUALITY

Maintaining a standard of living appropriate to one's needs and those of one's family, in the event of retirement, disability or death, is the main objective pursued by our social security system. As provided for in the Constitution, the combination of the AVS/AI/PC and the 2nd pillar should enable each worker, whatever his/her income, activity rate or status, to achieve this objective.

THE CIEPP, A PRIVILEGED INTERLOCUTOR

But which pension plan should one choose? As privileged interlocutor of both companies and the self-employed, the CIEPP can advise and support you in this exercise by offering you simple, flexible and attractive solutions in complete transparency.

CHOOSING THE MOST SUITABLE PLAN AND ITS OPTIONS

Thanks to a range of five distinct pension plans combined with a number of combinable options, the CIEPP covers all the needs of SMEs and the self-employed. Attractive solutions that make it possible to guarantee for all – affiliates, insured persons and beneficiaries – long-term occupational pension benefits. Among these five solutions, the CIEPP can offer each self-employed person a unique plan – with or without option(s).
